

Product information

Quality	VICTORA "3D"
Material	PP frise + shrink PES
Total weight kg/m ² (depends on design)	1.600 g/m ² +/- 5%
Pile Weight	800 g/m ²
Points	231.800 m ²
Pile Height	9 mm
Fire rating	Efl
European classification	22
Castor chair resistance	No
Underfloor heating	Pass

This is woven quality with back of jute.

Concerning the yarn one color is polyester which is lighter than polypropylene. That's why we put tolerance. In your design the polyester is the light thin arches; just for accent.
